**Independent Fiscal Office to Release
Revenue Projections and Conduct Briefing**

The Independent Fiscal Office (IFO) will release updated revenue forecasts for fiscal years 2015-16 and 2016-17 on Tuesday, May 3, 2016. The office will hold a 1:30 p.m. briefing on the release in the fourteenth floor conference center of Harrisburg University, 326 Market Street. The session is open to the public.

After the briefing, a report discussing the revenue projections and Pennsylvania's economic outlook will be available on the IFO's website at www.ifo.state.pa.us. A separate document will describe the methods and data used to make the projections.
